

Little Gems Newsletter

Friday 6th March 2015

Busy Learning

Little Gems have celebrated Chinese New Year in style! The children have been very creative and using the colours that represent Chinese New Year, they have produced some inspiring individual pieces of art!

At snack time the children sampled some tasty Chinese food! We tried rice cakes with sweet and sour dipping sauce, prawn crackers and noodles. All of the children tasted our Chinese delights and the sweet and sour sauce was very popular.

Thank you to everyone who donated to the voluntary snack contribution. Your kind donations allowed us to buy these extra treats for your children.

Information

Please take a look at the new school website. Here you will find lots of useful information, including letters and key dates and events. This newsletter will be added to the Little Gems section with all previous ones.

Outdoor Learning

The children have thoroughly enjoyed building with our large blocks. It has been wonderful to watch how imaginative the children have been with their use of the blocks. We have seen some wonderful collaborations, turn taking and sharing and the children have really worked together to build some super structures.

Miss Mcshane and the children had a wonderful time with large cardboard boxes. It's amazing what fun you can have! Hide and seek was the popular choice. Watch out for photos!

Reminders

Can you please ensure that you drop off and pick up your child on time.

Gates will only be open at:

9am

12pm

3pm

and will close promptly to ensure the safety of your children.
