

Gems Nursery newsletter

Friday 2nd October 2015

Mathematical development

The children have been busy singing number rhymes including '10 little monkeys jumping on the bed' and '1,2,3,4,5 Once I caught a fish alive'.

They have been playing with number puzzles, sorting dinosaurs, looking at colour matching, playing with shapes and experimenting with different containers and measuring using water.

Reminders

Please name all your child's clothes and belongings so if they go missing they can be returned.

Thank you to those that came to the MacMillan coffee morning, it was lovely to see you all and we hope you enjoyed the cakes!

Thank you for the snack contributions as a result the children have eaten crackers, breadsticks, ham and wraps.

The weather is turning chilly and wet so please ensure your child has a coat and wellington boots.

Could we please ask that any money is put in a named envelope.

Literacy development

The children have begun their topic about 'Ourselves'. They have been creating pictures of themselves. Please feel free to come and have a look.

They have sung lots of nursery rhymes including 'Humpty Dumpty' and 'Twinkle, Twinkle Little Star'.

They have also been using paint, chalks, crayons, felt tip pens and pencils to make marks.

Busy learning

The children have been looking for signs of autumn including fallen leaves.

They have been leaf and stick printing and using apples to create beautiful autumn pictures that will be displayed in the Nursery corridor.

They have also enjoyed exploring our new nursery environment inside and outside. We have been looking after the chickens and investigating our wooden area.
