Friday 21st March 2014

Communication, Literacy and language

This week we have been learning the story 'We're going on a bear hunt' by Michael Rosen. The children have been retelling the story with actions and acting out the story in the outside area. Check out Little Starz projects for activities and videos to watch.

Vocabulary: fiction, narrative, long wavy grass, a cold deep river, thick oozy mud, a big dark forest, a swirling whirling

Mathematics

The focus this week has been measurement of weight and length along with using the appropriate vocabulary and non standard units to measure.

Vocabulary: measuring, weight, heavy, light, balance, non standard units, length, long short

Understanding the World

As part of our theme 'Our Special World' the children have been busy drawing road maps and adding road signs and street names to them. They been to have a look at our pond area and discovered that we have frogs spawn! The children have been painting and drawing observational pictures of Spring flowers. They have been mixing their own powder paints to use.

Clothing

Please can we remind you to return any clothing that your child had borrowed as soon as possible as we are running low on spare clothing.

Help!!

Do we have any keen gardeners out there? If so we desperately need some kind volunteers to help tidy up our Rainbow garden. If you are able to help please speak to Mrs Fitzsimons. Thank you

Sports Relief

Thank you very much for your kind donations today. The children had great fun walking. We will let you know how much we have raised shortly. Photos will be on Facebook, website and Little Starz soon.
