Executive Headteacher: Mrs Susannah Connell BSc MA (Ed Mgt) NPQH

8th January 2021

Head of School: Mr John Turner BSc PGCE

Dear parents,

In line with government guidance regarding remote learning, we will begin our full programme of remote learning for children at Winhills next week. Government guidelines state that children in KS1 should complete a minimum of 3 hours learning per day, and children in Key Stage 2 should complete 4 hours per day, so we will be providing enough content to support this.

Therefore, from Monday, every class will be uploading a grid with an outline of the learning activities for that week including:

- One hour of maths learning per day
- One hour of English learning per day
- At least one hour of foundation subjects (science, history, PE, etc)
- Children in KS2 will have a range of additional activities to choose from too

These will be available on Class Dojo from Monday mornings, and will also be uploaded to our class webpages. Remember, Class Dojo can be accessed from a phone, tablet, laptop or PC.

In addition, most lessons will be accompanied by a video and additional details of the activity, created by the teachers at Winhills. These videos will be uploaded each day in the morning and should enable children to access the learning without your help.

Once per week, your child's teacher will be phoning you to see how your child is getting on, and to answer any questions or solve any issues you have.

We thank you for your continued support and know that by working together, we will ensure your child's education continues successfully during this difficult time.

Yours sincerely

*J. W. Turner*

Mr John Turner
