

Dear Yr6 Parents

We have been offered a MHST Transition to Secondary school Workshop for our Yr6 class. The MHST (Mental Health support Team) is part of the NHS and is a service open to schools and families for support and advice.

This will take place for Yr6 children in the school day at 2pm on the 19<sup>th</sup> of June. Along with the Workshop for the children the MHST Service are offering a presentation to you, as parents, for Transition to secondary school. We would like to invite you to attend the presentation on the **19<sup>th</sup> of June at 3.15pm**. Provision for your children will be made while you attend the presentation here at Winhills. The presentation will revolve around supporting your child through the process of Transition and their new start at Secondary school. It will include addressing general anxieties and how to best support your children through the next stage of their education. We are very pleased to be offered this new service of support and hope you will be able to attend.

Kind regards

Mr John Turner

Head of Winhills Primary Academy
