Dear Parents/Carers

We thought you might be interested in a free History event (which is organised by St Neots Museum) in the Market Square on Saturday. If you happen to be in town, why not pop along and help your child learn a little about the history of the town?

This may be of particular interest to Year Six whose History and Geography work this half term will be a local study about St Neots.

The poster features a central illustration of four people in historical costumes: a man in a brown military uniform with a rifle, a woman in a black dress with a white sash, a woman in a red and blue dress, and a man in a red military uniform. Above them are icons of a calculator, a helmet, a crown, and a Viking helmet. The background is orange with a white cloud-like shape containing the event details.
