Punctuality

Our school regards punctuality as the utmost importance and lateness, when ever possible, should be avoided. Being late has a big impact on a child and can be detrimental to their learning—particularly if they are missing the same key session each day. Over time it builds up—**15 minutes late everyday** is the equivalent of missing **10 whole school days per year**.

School gates open at 8:30am and children are expected to be in class for the start of the school day 8:40am.

In the Autumn Term, across the school we had **97 pupils with a total of 436 late marks**.

What to do if your child is unable to attend school

Frequent absence will inevitably impact on your child’s learning, both academically and socially. If your child is unable to attend school **you must contact the school office before 9am**. You can leave an email or voice message to inform us of the absence. If we do not hear from you, we will contact you. If we cannot contact you, the absence will be recorded as **unauthorized**. If we have not heard from you, please expect to receive a home visit from a member of staff. Repeated unauthorised absences can lead to penalty notices.

What should I do if my child is unwell?

We fully understand that children become unwell and know that it can be a hard decision whether to send them in. With this in mind, this reference guide could be of help:

Red: Stay at home

Sickness and diarrhoea

24 hours must have elapsed before a child can return to school.

Amber: Seek advice

Severe headaches, stomach aches, feeling sick

Children can often feel these symptoms when they are anxious or worried. Please contact us if you feel this could be a concern.

Green: Come to school

Mild cough, mild sore throat, feeling tired

If your child has these mild symptoms, please send them in and we will contact you if they get worse during the school day.
