

Lower Phase Newsletter

3rd July, 2015

Maths and Science in Year 1

In maths the children have become Shape Investigations and explored 3D shapes.

Reception Maths

The children are learning about odd and even numbers, the value of copper and silver coins and been doing some simple subtraction problems.

ICE ZONE

Lower Phase Trip to the zoo.

A fantastic day was had by all the children. They drank consistently and wore hats. They used much of their knowledge from their ICE zone work to spot animals from Africa and read maps.

Reminders

PE kit: Plain white T shirt, black shorts and black plimsolls. PE is every Tuesday, Wednesday and Thursday each week.

Hot Weather Please make sure that your child comes to school with a sun hat, water bottle and rain coat.

Literacy

The children have been writing recounts and had the opportunity to write a recount about their trip to Hamerton Zoo.

Reception have been doing a range of activities using the skills that they have been taught throughout the year.

Daily Reading

Please continue sharing a book with your child....

Homework : Please remember homework needs to be completed.

All the Literacy and Maths are due in on **Monday 13th July.**
