

# WINHILLS

## Key Stage 1

### Fortnightly Newsletter

#### Year 1

In maths have started learning about measuring. The children loved measuring each other, drawing around themselves in chalk and measured things in the classroom. In English we are still focusing on fairytales and the children have now started writing their own story of Rapunzel with a focus of vocabulary. In science we are continuing to monitor our seeds grow and have started looking at animals and where they live. We had science week this week and have had lots of fun with our investigations of making lava lamps and gloop!

#### Year 2

In English we are still focusing on the story of Rapunzel but the children are now writing their own story innovating different parts and using their brilliant vocabulary. In maths we have recapped subtraction and challenged ourselves to find missing numbers by doing the inverse. This is very tricky! The children are still monitoring and observing their seeds growing in science but have also started focusing on animals and where they live. We also had science week and the children had lots of fun with their experiments from making a lava lamp to making gloop!

#### ICE Zone

As we approach the end of our topic the children are collating all of their fabulous knowledge and research into a PowerPoint. This is forming a part of our Fabulous Finish where the children will have opportunities to present their learning to their friends. The children have thoroughly enjoyed this topic and have definitely learnt they don't want to be a Gong-Farmer! We would like to say a huge thank you to everyone who attended our ICE zone open events, we had 47 parents attend which was fantastic! We will be hosting another event in the Summer term so please keep an eye out for letters in the near future!

#### Reminders

- All homework is due in by Monday 27th March. If all homework is not complete your children will be missing out on parts of reward day.
- If you have any spare boys clothes at home please can you bring them into school or if your child has borrowed any please return them. Thank you.
