## Friday 11<sup>th</sup> December 2015.

### English:

In their Read, Write, Inc lessons the children have continued to apply their phonics to their reading and their writing. The children have been working exceptionally hard on Friday's to complete a Big Write based on the book they have been reading in their RWI sessions.

The year 2 children have been super busy this week designing posters for the Big Bake sale and they have been writing descriptive sentences about the ingredients they have been using.

### Mathematics:

The children have been learning about measures this week as part of their Big Bake.

They have learnt to weigh to the nearest 100g, 100ml and how to equally share the mixture to make the best cakes and biscuits.

The children have also been completing some Christmas maths activities with more to follow next week.
