

Year 1 and 2 Newsletter

Friday 27th November 2015.

English:

The children have continued to develop their writing skills based on their unit about adverts. The children are excited to advertise the upcoming Big Bake and Christmas fair.

In their Read, Write, Inc lessons the children have continued to apply their phonics to their reading and their writing. The children have been working exceptionally hard on Friday's to complete a Big Write based on the book they have been reading in their RWI sessions.

The year 2 children have been super this week when completing their assessments for reading and writing. We are extremely proud of their learning.

Mathematics:

The children have been super busy learning in their new maths groups!

In Miss Larbey's maths groups the children have learnt about odd and even numbers and they have been practising their multiplication facts. They then used their times tables to solve multiplication sums on a number line.

In Miss Brock's and Mrs Goodwin's classes the children have been learning about subtraction. They have enjoyed using practical equipment to solve subtraction problems.

Reminders

Christmas Play:

Please book your tickets for the Christmas play. There are two performances.

1. Wednesday 9th December at 10am.
2. Thursday 10th December at 2pm.

The children are really excited to perform 'Mary's Knitting' to you.

Bake sale:

We are now accepting donations so we can start baking lots of yummy treats to sell before the performances and after school on the Wednesday and Thursday afternoons. Please hand all donations to the class teachers.

Homework:

With reward day around the corner please ensure your child has completed 10 pieces of English and Maths homework as well as regular reading. Reward day is Thursday 17th December.

Science:

In KS1, the children have been learning about healthy eating. They have all researched the healthy food plate and they are beginning to identify the 5 main food groups.

The children have also thought about what a healthy meal could be.

We have thoroughly enjoyed our Science topic so far this year.
