Key Stage 1

Fortnightly Newsletter

Year 1

Year 1 have come back into school enthusiastic and ready to learn! We are beginning to learn how to tell the time in Maths. In English, we are beginning to look at a new book and have already been predicting what will happen. We have also started asking questions about the story. The children continue to develop their writing skills to include more detailed vocabulary and punctuation. In science we are beginning a new topic about plants. The children have been outside to look at the different wildlife this week and have thoroughly enjoyed it!

Year 2

Year 2 children have come back to school very excited! We have started working with money in Maths. The children have been adding money together and used the pound and pence symbol! In English the children have been using visual aids to predict the events in a new story. The teachers were very impressed with the ideas they came up with! The children then wrote some fantastic questions about things they had noticed in one of the pictures. We have started a new topic in science focusing on plants. The children loved being outside drawing and labeling the different plants and wildlife they could find. A super start back after the Christmas break!

ICE Zone

The topic of 'Castles' has started wonderfully. The children had a fantastic time on castle day and were able to create lots of wonderful items and learn lots of information. The children were fantastic jesters, knights, princesses, dancers and servants! The children have began writing information they have found out in their fact files and will continue to discover new facts every day.

Reminders

- Please can all children have wellies in school. We have some very exciting outside science lessons on the field this term!
- Please can all children have a warm coat, hat and gloves for outside learning and playtimes.
- All classes still have PE on a Tuesday but please leave kits in school as we also have dance on Thursday.
- Homework will still be given out on a Thursday and is due back in on Monday.
- Please complete 5 reads and a book talk every week.
