

# Lower Phase Newsletter

November 28, 2014

## **Maths in Year 1**

We are visiting Numbers to 100, ordering and looking at place value with Tens and Units.

This week we started looking at capacity and weight.

Look out for the photos of Maths activities on Facebook and the class page.

## **Reception Maths**

We have been weighting object this week to compare and talk about the difference, using words such as – heavy, heavier, heaviest. Light, lighter and lightest.

## **Reminders**

Now the weather is so cold your child needs a jumper or cardigan, warm coat, hat and wellies for outdoor learning.

**Please make sure all clothing is labelled.**

**PE kit:** Plain white T shirt, black shorts. Indoor PE shoes are needed to change into on a wet weather day.

**Snack money** Thank you for bringing Snack money each Monday. We appreciate it very much

**Library books** will be changed on Friday if they are in the children's blue school bags.

## **Literacy in Year 1**

The children have enjoyed finishing Instruction Writing. We have now started a unit about Poetry. If you have any poem and rhyme books at home, please bring them in.

## **Literacy in Reception Classes**

We have completed our Traditional Story unit, changing the Gingerbread Man to Pizza man.

We will be looking at The Christmas Nativity Story and writing recounts, lists, and a letter to Santa.

Thank you to the 8 parents who came to the Numicon Maths meetings on Tuesday.

Please ask class teachers if you have any questions about learning and maths at home.

## **Homework for Year 1**

Thank you to all the parents that have dated and named the homework on each page.

The children are continuing with one Numeracy and One Literacy piece of homework each week.

(Please remember; Pencils only and all pieces must be completed in order for your child to receive all of Reward Day.)
