

# WINHILLS

## Year 1 and Year 2

### Fortnightly Newsletter

#### English

In English we wrote amazing stories around the text 'The Lonely Beast'. We then received a letter from the city people asking lots of questions. We have written letters back to the city people pretending to be the beast telling them about our journey and our home in the woods.

#### Mathematics

Year 1 children have been completing lots of practical work focusing on their number bonds. We are now starting to add other one digit numbers together.

The year 2 children have been focusing on addition. We began by adding a 2 digit number and a one digit number using resources and we are moving our learning on to working them out in our books.

#### Science

In Science, the children have experimented with how materials can change shape! We organised the materials into groups and discussed their properties.

#### ICE Zone

Year 1 and 2 are still enjoying their topic of 'Exciting Explorers'. The children are further developing their design and technology skills by designing and making their own rockets. The children have also enjoyed making their own delicious soup!

#### Reminders

Please make sure that the children are completing their **homework** every week as well as **reading** with your child every day so they receive their '**5 reads and a book talk**' award. Homework should be handed in on Monday and new homework will be given out on Wednesdays.

**All classes** need **PE kit** on Mondays and this should be left in school for the week. Please ensure your child has correct PE kit, including trainers and all PE kit is named. Spare PE kit will no longer be provided. No earrings must be worn for PE.

Please ensure that your child has a named coat, wellies and water bottle in school everyday. If possible could we please have some clean junk modeling materials.

**Nurture**

**Inspire**

**Flourish**
