

WINHILLS

Year 3 and Year 4

Fortnightly Newsletter

English

The children have been enjoying their book 'Lob'. They have been role playing, writing diary entries and letters to Lob. They really enjoyed acting out Lucy getting lost in the woods and the vocabulary they have been putting in their writing is fantastic.

In exciting writing, the children wrote terrifying scary stories for Halloween! They all thought very hard about building the suspense in their stories and using powerful adjectives and verbs we have been learning about this term.

Maths

Year 3

This week, the children have been learning multiplication and division. The children have been learning their number facts and practicing their written methods. They have also been developing their reasoning skills to explain how they know.

Year 4

This week, the children have also been focussing on their measurements and working out the perimeter of rectilinear shapes. They are now moving onto multiplication and division and will continue to develop their written methods as well as their number facts.

Science

In science, we have started a new topic of electricity. The children have made simple circuits using bulbs, wires and cells. This week, they added a switch to their circuits and also used buzzers and motors. They have loved learning about circuits so far and they've been working well in their groups!

Extra-curricular activities

The children all really enjoyed their DLPT sport events. They worked great in their teams and showed fantastic sportsmanship. They also loved their trip to the cinema as part of the Film Festival. They completed some fabulous exciting writing when they got back to school.

Reminders

Please make sure that the children have warm clothes and wellies with them everyday as they are going outside to learn!

Also, PE is every Friday so please ensure your child has their PE kit in school.

Homework is to be handed out every Wednesday and is due in the following Monday. The children will be tested on the spellings in the week. Maths Whizz is 45 minutes per week and 15 minutes of TT Rockstars.
