Dear Parents and Carers,

I am writing to let you know about some updates to our end of year reports across the Trust this year.

We will be using a slightly different approach, designed to make reports more meaningful and personalised for each child. Previously, reports had been very narrative-based and, for foundation subjects, sometimes simply outlined what had been covered in class. As this information is already available to you through our curriculum overviews and regular parent communication, we have refined the format to focus more closely on your child as an individual.

Our aim is that the new reports will feel more succinct, while giving you a clearer insight into your child's strengths, achievements and next steps in their learning. You may also notice some small variations in layout and presentation compared with previous years.

A Trust-wide decision has been made regarding Headteacher comments. These will now only be included for specific year groups, as determined by each school. For example, this may reflect the final year of a pupil's journey at Winhills Primary Academy.

In addition, statutory assessment outcomes will be reported where appropriate, including:

- EYFS: Good Level of Development (GLD)
- Year 1: Phonics Screening Check
- Year 4: Multiplication Tables Check (MTC)
- Year 6: SATs results

To make our reporting more cost effective, environmentally friendly and time efficient, all end of year reports will be sent electronically this year. Reports will

be shared via a secure platform called Insight. Please ensure that we have your most up-to-date email address on our system (Arbor) so that your child's report reaches you without delay. The email you receive may look slightly different from previous school communications and will contain a link to your child's report. This email will come from: Winhills Primary Academy <system@insighttracking.com>

The link will say 'Download Report' and is safe to click. You will be asked to enter your child's date of birth before the report is displayed.

Annual reports will be sent in the week commencing 13th July 2026.

We hope you find this updated format helpful and informative. As always, if you have any questions or would like to discuss your child's report further, please do not hesitate to get in touch.

Thank you for your continued support.

Yours sincerely
