Year 1 Class Information Sheet
Autumn Term 2026

Reading	Spellings	Maths	PE Days	General reminders
Your child will bring home up to 2 books a week. • One will be their coloured reading book • One will be a book they have chosen from the library to share with you at home. They can change their reading books everyday if needed and library books will be changed on a Friday. Please take time to share your reading in their diary. We love to find out how they have got on. We ask children to read 5 times a week and do a book talk (discussion and questions about the book) every week too.	Your child will bring spellings home every Wednesday. Please practise these at home and return them to school on Monday. The spellings will be a mix of the phonics sounds or spelling patterns they have been learning at school and tricky words.	This year, we are using NumBots for maths homework. The children should complete 15 minutes of questions. NumBots is an online maths game that supports children with their understanding, recall and fluency in mental addition and subtraction Their login details can be found in their reading diaries.	PE will be every Tuesday and Friday. Please make sure your child comes into school in their PE kit and earrings are removed. PE kit is black or navy shorts or joggers, white t-shirt and trainers (different to their school shoes). Please make sure that they have PE kit suitable for outdoors and as the weather gets colder.	Please ensure that your child is dressed appropriately for the changing weather. This includes a suitable waterproof coat and sunhat. Please apply suncream before school. Please make sure that all items of clothing are named. All children should bring in a water bottle every day. Other updates will be posted on Class Dojo.
